We're good friends now. she's really cool.) Then the next day, while I was feeling pretty down about not getting the intern position, I found out that Alina couldn't accept the position because she was going on vacation over the summer and that the position was passed on to me!

It was an amazing turn of events and it lead to one of the most amazing summers of my life working at Insitu and experiencing a sophisticated work environment.

Paulina Le -- My favorite high school memory was purchasing an inflatable T-Rex costume and running around school in it every once in a while. I named him Tyrone.

More seniors' favorite memories

Kimi Garcia -- The picnic that marked the beginning of my friendship with Zach and Peter and pretty much any other time we've hung out. You two made my senior year incredible. Love you boys so much!

Bianka Maciel -- My favorite high school memory has to be junior year. When I joined XC I was part of a team, that ran together and supported each other. This sport made me realize that I was built to be a runner. Every time I stepped foot on that track I always had confidence in myself and was always in running mode. After, I made it up on the leading board I decided to do XC my senior year. My senior year is the year I progressed a lot. I went from just running to beating my personal record and placing 8th in Columbia River Conference Championships. This was one of my best memories ever. It was outstanding I never thought after doing XC for only two years that I would be able to place in 8th and set a new record for myself. This was an amazing experience I will never forget! All my teammates were ecstatic that I improved big time from last year. I will always remember my XC teammates and all the memories we had together.

Anna Ticknor -- Having dance parties with my girls

Bianca Badillo -- My favorite high school memory is winning the CRC title for the first time in 27 years during junior year volleyball!!!!

Madi Wofford -- Being on the winter competitive cheer team my Sophomore year with girls who were just as motivated to get things done as I was.

Oona Johnsen -- My favorite high school memory would be winning State for Water Polo with the amazing HRVHS Girls Water Polo Team.

Olivia Acosta -- Drifting in the hick lot when the pavement freezes over.

Sloan Hall -- Winning the first State Title for Girls Water Polo.

Crystal Flores -- All of the tennis matches, and bonding with all of the girls on the team. Also, when the team was at districts and we went to the store so some girls could get medicine. While we waited, we were talking and asking our coach questions, and I asked him what his favorite subject in school was, he said lunch, and I said no wonder. We later had a huge laughing fit because he accused us of calling him fat(we weren't) and kept subconsciously making jokes about his weight.

Bayly Stevens -- During my freshman year when the boy cheer leaders danced for the school.

Rebecca Johnston -- Making it to State my last season of high school volleyball with my favorite team ever

Meiling Bonglamphone -- Making cupcakes with my friends before Valentine's day my freshman year. We made a mess in the kitchen but it was worth it.

Tiffany Berquist -- That one time I got suspended after having my car searched.

Halle Campos -- when el chisme was good.

Oralia Linares-Soto -- When Noteboom ripped my paper apart and put question marks all over it

Find something you love, and participate in that as much as you can. Be unironically enthusiastic about the things you love. Make awesome memories with the people you love.
